# WELCOME

Nutz, Deep II | Visit Marshfield

**Welcome to our fine city!** This is an exciting time to visit Marshfield, and I invite you to discover what makes Marshfield Made New.

Marshfield has a lot to celebrate in 2020. Many improvements were made to our city in 2019, and we are looking forward to new, exciting additions in the near future. We saw the completion of major projects including the Marshfield Clinic Health System YMCA expansion, featuring a state-of-the-art fitness and wellness facility that includes a cutting-edge, multi-sport, indoor complex. The Marshfield High School also completed the new Kenneth & Ardyce Heiting Community Stadium, hosting record crowds for football and soccer games. The Wildwood Zoo opened a new welcome center and expanded Pat & Floyd Hamus Cougar Exhibit last fall. Visitors will enjoy a smooth ride into Marshfield from the north as Central Avenue, our main street, was completely reconstructed for better access to our businesses and entertainment.

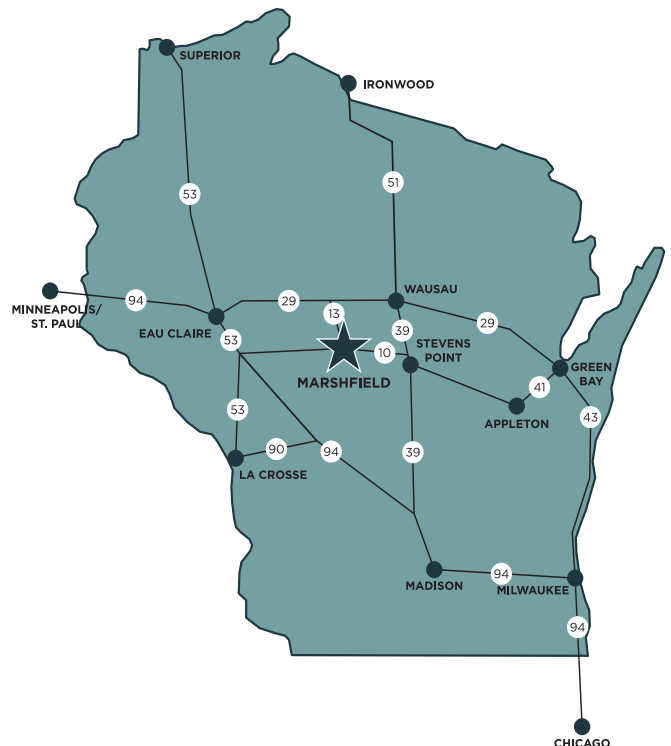

Our burgeoning downtown provides great options for visitors to unearth what's uniquely Marshfield. You can enjoy a steaming cup of locally roasted coffee at the new Uptown Coffee Company and feast on a Friday night fish fry for dinner, after shopping at our variety of boutique stores. I challenge you to try to break free from Escape Room Marshfield, or to beat the summer heat take the kids to cool off in the water feature at the Wenzel Family Plaza. No matter what you choose, there's something for the entire family to enjoy while visiting our city.

Marshfield is welcoming two new hospitality businesses that we are sure our visitors will love this year. The Pizza Ranch all-you-can-eat buffet restaurant (opening early 2020) will be a sure-fire hit for hungry families with kids. Nearby, the Hilton Hampton Inn & Suites (opening fall of 2020) will be a welcome addition to Marshfield's hotel portfolio. Read about these new additions and more in the following pages of this guide.

Whether you are here visiting for our world-class health care, business, or a fun getaway for the family, this guide will point you in the right direction, and I hope you enjoy Marshfield Made New.

Bob McManus - Mayor, City of Marshfield

Kenneth & Ardyce Heiting Community Stadium | Melissa Slegler, Marshfield News-Herald

### Marshfield, Wisconsin: What does this community mean to you?

Ask the citizens and visitors of Marshfield this question, and you're sure to receive a variety of answers. Some may say that Marshfield is best represented by the Marshfield Clinic Health System, and will recount stories of compassion and world-class care they or their family members received. Others relate to Marshfield's agricultural foundations, and can share timeless memories of the simple pleasures of spending days at festivals like the Central Wisconsin State Fair or Dairyfest. Still others could share their enthusiasm for Marshfield as a great place for families and entertainment, describing excellent dining options, specialty boutique shopping, and fun-filled summer days visiting Wenzel Family Plaza located downtown.

No matter what your answer may be, one thing is for sure – Marshfield is a place that pays homage to its rich, storied past, while embracing and planning for a vibrant future. You only need to take a closer look around to

*"What's new in Marshfield?"*  
**Well, everything.**

see and experience the changes and feel the excitement in the air. Inevitably, the question visitors will ask after spending some time away, is "What's new in Marshfield?" Well, everything.

In the topographical sense, *Marshfield is changing by building new facilities to support its future.* The Marshfield Clinic Health System (MCHS), moving far beyond its humble beginnings as six founding physicians in 1916, continues to provide outstanding care to its patients and deliver on quality of medicine through research and innovation. It has also committed to improving quality of life and wellness with the completion of a multi-million-dollar expansion of the Marshfield Clinic Health System YMCA. The Roehl Fieldhouse has an all-new fitness center that includes three full-sized basketball/multi-sport courts and new running track. The expansion at the MCHS YMCA includes a Healthy Living Center, Strength Training Center, Multi-Generational Community Room, and more.

Visitors traveling to Marshfield for healthcare needs will also find another welcome sight near Marshfield Medical Center—a new Hampton Inn & Suites. The hotel, opening this fall at 400 W. Upham Street, will have 86 rooms, featuring 24 studio suites, an exercise room, and an indoor heated pool.

*Marshfield High School's new football field and track facility* is another example of Marshfield's commitment to future excellence. The Kenneth & Ardyce Heiting Community Stadium seats about

4,000 spectators and is used for football, track and soccer. It was constructed with artificial turf for extended seasonal use, making it perfect for wet conditions. Among the other features of the stadium are an apparel store, expanded concessions, and press boxes. This is the largest upgrade to Marshfield school district's athletic fields since 1968, and opens up the opportunity to host track meets, playoff football games, and invitational tournaments. The multimillion-dollar project, \$7 million of which was covered by private donations, also includes new baseball and softball fields across the street from the high school.

**Wildwood Zoo, built in 1937, still educates visitors about the wonders of the natural world** with its impressive array of animal exhibits. Today, you can visit the newly expanded Floyd & Pat Hamus Cougar Exhibit and Zoo Welcome Center, located at the center of the zoo, near star residents Kodiak bears Munsey and Boda. This big cat exhibit boasts ten times more room than its previous space and incorporates a more natural, feline-friendly environment. Inside the Welcome Center, you'll get a unique, behind-the-scenes view of the cougar handling area and have access to conveniently located restrooms. Other features include small animal exhibits and children's interactive water display teaching the importance of water quality and the water cycle.

And so, with these additions and many more to come, Marshfield celebrates this renewal by presenting a new brand to characterize the excitement that is represented everywhere you look: **Marshfield Made New.**

The past is still ever-present, whether you're finding new treasures in specialty antique stores downtown or enjoying a pint

at the Blue Heron Brewpub, housed in the former Parkin Place ice cream factory. Meet up with friends to sip an espresso con panna or iced blue jasmine tea in a refurbished 1800s hardware store that's now home to family-owned Uptown Coffee Company. This coffeehouse is known for its dedication to curated coffees, upscale décor, and welcoming vibes.

**You'll find Jurustic Park north of town, a wonderland of metal sculptures** created by Clyde Wynia. It's a place where old schoolhouse bells and forgotten hand tools become creatures that tower over and delight kids of all ages. Marshfield's appreciation of this artistic transformation of old to new is visible in the many Jurustic Park sculptures adorning businesses and public spaces throughout the city.

Marshfield Made New is a promise that Marshfield makes and delivers on, over and over again. But amidst the celebration of new and exciting attractions, facilities, and activities, Marshfield is always a place that preserves the past, breathes life into it, and makes it new, through care.

So come and indulge your curiosity. Enjoy your time, unwind, and take in all the ways Marshfield is Made New. You'll be amazed by all you find. ◉

The Wenzel Family Plaza, Marshfield's year-round community square and event hub located in the heart of downtown, has had an exceptional year. Thanks to the efforts of Wenzel Family Plaza coordinator Nicki Ryner, local restaurants and organizational partners, a wide array of fun activities and events took place at the plaza in 2019. From May to September, the plaza hosted nearly 70 events that brought approximately 5,000 attendees out to the plaza.

The plaza's summer season kicked off in May with the push of a button, turning on the ever-popular water feature. The festivities included a welcome from Mayor Bob McManus, a Wisconsin Dells Book Giveaway raffle and yard games, which packed the plaza as people came out in droves to celebrate. All summer, delighted children chased and jumped through bursting jets of water, again, and again, and again. Clearly, the water feature was a refreshing stop for families, with an average visitation of 20 families per day.

Lunch in the Plaza offered the opportunity for people to get out of their normal, hum-drum routine to listen to live music while enjoying a meal in the plaza. Delicious fare included grilled Cajun wraps, jalapeno burgers, fresh chicken Caesar salads, juicy cheddar brats, and tasty mac and cheese (and more!) for kids of all ages. By partnering with local downtown restaurants MoJo's Pasta House & Cajun Cook Shack on Thursdays and The Rivers on Fridays, the plaza became the place to be to enjoy weekly camaraderie with friends in the afternoon sun before the busy weekend.

Every Friday from May to October the Downtown Friday Nights Summer Concert Series was hosted by the Chestnut Center for

the Arts and Wenzel Family Plaza. It filled the air with tunes from talented musicians performing on the Everett & Dolores Roehl Stage. The music lineup was as diverse as it was entertaining. Styles of music ranged from the up-tempo Celtic and Folk duo the foxfire affair to the high energy rock jams of In The Groove (performing during Dairyfest), and beyond. showcases also headlined the plaza stage to appreciative audiences throughout the summer.

The plaza also became a place of peace and praise. On Saturdays, the popular Yoga in the Plaza events filled the grassy grounds with yoga mats and attendees wanting to stretch away stress and achieve some morning Zen. Local church groups also gathered at the plaza on select Sundays for worship services and offered activities for youth groups.

In August, foodies were wine and dine with an elegant experience at the Farm to Table event hosted by The Rivers restaurant. Chef Doug Weerts carefully crafted a menu showcasing fresh ingredients from local farmers and vendors. The meal began with roasted vegetable cheese curd quiche, followed by beef tenderloin in cherry port sauce or bone-in chicken with cranberry au jus paired with honey glazed carrots, sautéed Swiss chard, and ended deliciously with Sabayon maple shortcake with fresh berries. This exceptional cuisine looked as great as it tasted, arranged on a seasonal tablescape of crisp linens with fresh greenery and terrariums. As a final touch, local musician Ben Ryner accompanied the event from the stage all evening.

A less formal and more traditional German event brought out beer and music lovers alike at Oktoberfest in September. A variety of bands played throughout the day, as fest fans feasted on brats, pretzels, and mouthwatering desserts. Inside the beer tent, they washed it all down with microbrews from downtown's Blue Heron Brewpub and played the nail-slamming game of Hammerschlagen.

The Wenzel Family Plaza continues to win over the favor of travelers and citizens alike, and after celebrating only one year, it has won the Best Public Improvement Project through the Wisconsin Economic Development Corporation and won a 2019 Great Places Wisconsin award by the American Planning Association Wisconsin chapter. The Wenzel Family Plaza will also gain national notoriety during a

Marshfield episode of the PBS show Around the Corner with John McGivern, airing in spring of 2020.

The Wenzel Family Plaza's programming promises to expand its offerings of family-centric fun for 2020. This momentum will certainly make for another exciting year, and continue to make Marshfield Made New as it welcomes visitors young and old to enjoy and participate in the downtown community season after season. # WOOD COUNTY SUPPORTS UTV BOOM WITH NEW TRAILS AND ROUTES

Local economies benefit from the newest outdoor trend

UTVs are the hottest outdoor trend and Wood County is making strides to further the pastime's growth in Central Wisconsin. In June 2019, the county opened 42 miles of on-road routes and 7 miles of off-road trails for UTV/ATV use. Three months later, they announced 10 new ATV/UTV campsites in Pittsville's Dexter Park and more than \$400,000 in grants that will fund route and trail maintenance.

"The new routes and campsites demonstrate Wood County's commitment to growing off-road tourism," says Scott Larson, Executive Director, Marshfield Area Chamber of Commerce and Industry. "It's a growing trend throughout the state and, with UTV registrations approaching the 400,000 range nationally, we must take advantage of the growth and cater to it in order to bring visitors to our area."

The new Wood County routes were strategically designed to connect to existing mainline routes and trails, thereby linking to adjacent counties. The goal: bring new visitors and dollars through the area.

"A study from the County Highway and Planning Departments estimated the economic impact of the new routes to be around \$355 to \$427 per visiting rider," says Matt McLean, Director, Visit Marshfield. "Not only are these developments a great asset for avid riders, but they will invigorate local businesses by increasing traffic from an under-tapped group of visitors and consumers."

A 2011 case study of the Cheese County Trail in southern Wisconsin found that the total combined spending of all trail users exceeded \$15 million during the 12-month study. 86% of that amount was from non-local trail users. A similar 2015 study in Jackson county estimated the impact to be between \$7.6 million and \$9.2 million annually.

"These aren't small numbers," says Mandy Witt, co-owner and CMO, Power Pac. "This type of tourism will do real things for our local economies and Central Wisconsin can no longer be seen as a 'drive through' area on the way to the Northwoods. We applaud Wood County for seeing this vision and we'll do everything we can at Power Pac to assist in this strategic growth for our local communities."

## 5 TIPS FOR CHOOSING THE RIGHT UTV

**Looking to get in on the UTV trend? There are a number of things to consider when shopping for a UTV. Kyle Skoug, Powersports Salesman for Power Pac, asks his customers first: what do you want to do with your vehicle? His tips are below.**

• **SPEED/TRAIL RIDING:** If speed and adventure is the name of your game, then consider the Polaris RZR® or Yamaha YXZ®. Built for off-road performance and designed for width-restricted trails, the RZR and YXZ are for the rider looking to insert some high-speed adventure into his/her life.

• **LEISURE:** Looking for a vehicle to drive around the campground or drive leisurely down trails or UTV-approved roads? The Kawasaki SX™ is an affordable choice that still performs.

• **WORK:** Need a workhorse to help with yardwork, hauling or farm chores? The Polaris Ranger has been the #1 trusted vehicle by farmers, hunters, and homeowners for 10 years straight. The Kawasaki Mule™ is also a great work machine. Looking for a more economical version? The Ranger 500 or the Kawasaki Mule Pro-FX are both worth taking a look at.

• **I WANT IT ALL:** If you are looking for work and play – chores and trail riding – the Polaris General or Yamaha Wolverine are great options. With towing performance, a dump box and great ground clearance and suspension, you can get your work done AND dominate the toughest trail. Kawasaki Teryx® is a more economical option here and still has a 783 cc engine and dumpbox.

### OTHER THINGS TO CONSIDER:

• **PASSENGER ROOM:** You'll want to think through how many passengers you want your side by side to accommodate. Models have 2, 3, 4 or 6-seat options.

• **TECH:** Some brands now offer GPS and touch screen systems that you can add to your unit which can make navigating trails a lot easier. The software allows you to plan trips, track and share rides and even log service.

• **BELLS AND WHISTLES:** You can customize your side by side in a number of ways:

- o Heavy trail rider going on longer excursions? There are luggage or storage accessories you can add to your machine.
- o Avid hunter? Brands now offer gun racks and cases that attach to your machine to keep your gun or bow stored safely and out of the elements while you ride.
- o Looking for music or comfort? Other add-ons include sound systems, cab upgrades, heat and even air conditioning.
- o Sick of hefty snow plowing bills? Don't forget to ask about plow and cab packages for your work machine.

Maple Fall Fest | Kimberly Kopp

## MARSHFIELD MAPLE FALL FEST: SWEET FAMILY AFFAIR CELEBRATES 28TH YEAR

The start of fall in Marshfield and its crisp autumn days is our city's own Maple Fall Fest. This year the festival takes over Wildwood Park & Zoo on September 19 & 20, 2020—keeping with a 28-year tradition. Families start the day with a hearty potato pancake breakfast served by Columbus Catholic School Athletics. They fill up on flapjacks topped with melted butter, locally produced maple syrup, with sides including maple sausages, and, of course, cheese curds. Maple Fall Fest draws visitors and families out in droves, with approximately 15,000 attendees between Saturday and Sunday.

Marshfield Maple Fall Fest has become known as *the place* to find some of the best original, handmade craft items and artwork in the Midwest. With over 150 vendors, you'll delight in finding that distinctive, one-of-a-kind gift for yourself or someone special. Shoppers can also peruse Amish booths selling spectacular mums and hearty baked goods, along with other specialty foods with mouth-watering maple flavors. You can eat your way around the fest at the centrally located food court, enjoy a cold brew in the Beer Garden, and keep the kids amused as they play in the Kid's Zone. Throughout the weekend, spectators gather to watch dance performances by local troupes, take a tour through Wildwood Zoo, and experience the zoo's new, fun and educational Welcome Center.

In 2019, a new educational demonstration by the Marshfield Monarchs was a big hit on the main stage. The audience learned about the life cycle of the butterfly, and the special project taken on by the Gwiazda family. The family began raising monarch butterflies to help increase the dwindling population; only one out of every 10-20 caterpillars becomes a monarch butterfly. The group released 100 endangered monarch butterflies to the wonder of over 200 spectators of all ages. Maple Fall

Butterfly on Melissa Gwiazda | Visit Marshfield

Fest marked the start of the butterflies' migration from Wildwood Zoo as they began a long journey south to Mexico for the winter. "We wanted to do something special for the monarchs and for all the people, and a big release seemed like the right thing to do," said Melissa Gwiazda. The Gwiazdas are excited to start the butterfly-raising process again in the spring of 2020.

The Maple Syrup and Maple Dessert contests are time honored traditions at the festival. Syrup producers and bakers from all over the region compete for the top three cash prizes

2019 Winning Maple Dessert | Visit Marshfield

and bragging rights each year. The Maple Dessert contest is so popular that a cookbook was created to showcase winning maple dessert recipes from the past. Contest judging takes place at the Maple Village, as onlookers and contestants relish watching the panel of "celebrity" judges sample the entries. They watch for subtle signs of approval or dismay from the judges' expressions, each hoping to claim a win.

Throughout the years, maple dessert contest entrant Debbie Appleyard-Forrest considers the Maple Fall Fest Maple Dessert contest to be a family tradition with special meaning that goes beyond the sweet taste of victory. Debbie and her family, spanning generations from the core family group (growing to brothers and sisters, nephews and nieces, and beyond), have entered tasty maple treats for nearly a decade now, and continue to enjoy the contest as it brings them together in the kitchen to make memories.

This winning team has mastered the recipe for success; family members have received top honors multiple times, and have placed almost every year. The Forrests have other reasons to be proud of their culinary accomplishments. They have donated all their winnings, totaling several hundred dollars, to Pediatrics at Marshfield Clinic Health System.

Truly, Maple Fall Fest has become a celebration of giving—we thank our community members who give of their time and of themselves by thinking of the joy it brings others. 🍁

## NEW WELCOME CENTER & EXPANDED COUGAR EXHIBIT BRINGS A CROWD

The Wildwood Zoo just keeps getting wilder, with new additions sure to delight visitors and its animal residents. Marshfield is made new once again with the new Cougar Exhibit and Welcome Center at Wildwood Park & Zoo, which was opened to the public on October 25, 2019. The natural habitat cougar exhibit proudly bears the names of locals Floyd and Pat Hamus, who made a generous donation to the project and helped make the expansion possible.

The goal of the expansion was to connect people to the cats' environment through educational experiences while providing

professional care for the animals. The 11-year old cougar siblings, Star and Thunder, love this upgrade to their home which boasts nearly ten times the size of their previous space.

Zookeeper Steve Burns explained at the October Ribbon Cutting Ceremony, "The sandstone structures in the exhibit give the cats a more naturalistic, arid environment mimicking the American West. It was thoughtfully designed to encourage natural cougar behavior and offer premier viewing opportunities for our patrons. This is a true testament to the appreciation the community shares for Wildwood. This zoo is truly a gem in Marshfield."

The new large viewing windows from the Welcome Center into the exhibit provide an up close look at the cougars' handling area. This gives visitors the opportunity to see the cougars interact with the zookeeper behind the scenes and during feeding times.

A main part of Wildwood Zoo's mission is to educate the public on wildlife and its environment. Featured prominently in the Welcome Center is a new, interactive, hands-on water table experience. Kids can don a raincoat and manipulate the table to rain and learn about the importance of water quality as it undergoes evaporation, transpiration, precipitation, and condensation during its life cycle. Familiar spots and local landmarks are also built into the table, like the World's Largest Round Barn and the baseball fields at the Steve

J. Miller Recreation area. A separate, interactive, electric display also teaches kids about the scientific wonders of power.

The Welcome Center also features small animals such as box turtles, chuckwalla lizards, snakes, and more exhibits. Visitors will also be happy to find new ADA compliant restrooms for comfort and convenience in the building.

The enthusiasm for this new development at Wildwood Zoo is contagious. Mayor Bob McManus exclaimed at the Ribbon Cutting Ceremony, "We're so excited about this exhibit and what it does for the City of Marshfield. This is literally a world-class zoo." Be sure to come visit Star and Thunder and their friends Munsey and Boda, our rare Kodiak bears, during your next trip to the zoo! 🐾

Marshfield is excited to welcome a new *Pizza Ranch* restaurant to town, opening in early 2020 and located at 1302 N. Central Avenue. Pizza Ranch, which traces its roots back to its inception in Northwest Iowa in the 1980s, is a popular, family friendly, Western themed restaurant known for its buffet of pizza, salad, chicken, sides, and desserts. The new restaurant will feature community rooms and a FunZone arcade, perfect for family celebrations and parties. Pizza Ranch easily accommodates a variety of large groups including those visiting for conventions and sports tournaments, no reservation required.

Another convenient food option only a Facebook message or phone call away in Marshfield: *J-Rolls*. J-Rolls will deliver hot, fresh, Vietnamese style pork egg rolls straight to your door or hotel room with free delivery in the Marshfield area. The difference between these and other eggrolls is the absence of cabbage in J-Rolls, paired with a thin wrapper and all prepared by hand. If operating a family farm for over 115 years has taught us anything, it's to be prepared for the unexpected. That's why Weber's Farm Store goes beyond milk and cheese and also stocks many of the food items closely associated with dairy, like farm fresh eggs, kefir, butter, and a variety of meats.

Weber's always provides the freshest BGH Free milk and associated dairy products in the area.
